

April 2026

In the Elks tradition, **April** marks a season of renewal and fresh beginnings. As the new fraternal year commences on **April 1st**, we officially welcome our newly installed Lodge Officers and set our sights on the charitable goals ahead. It is a time to embrace our commitment to brotherly love and service, carrying the momentum of our past successes into a new chapter of community impact. Guided by our principles, we begin this year ready to prove once again that "Elks Care — Elks Share."
